A Question Science Cannot Answer

The question of how the universe began:

- What was "before" the Big Bang?

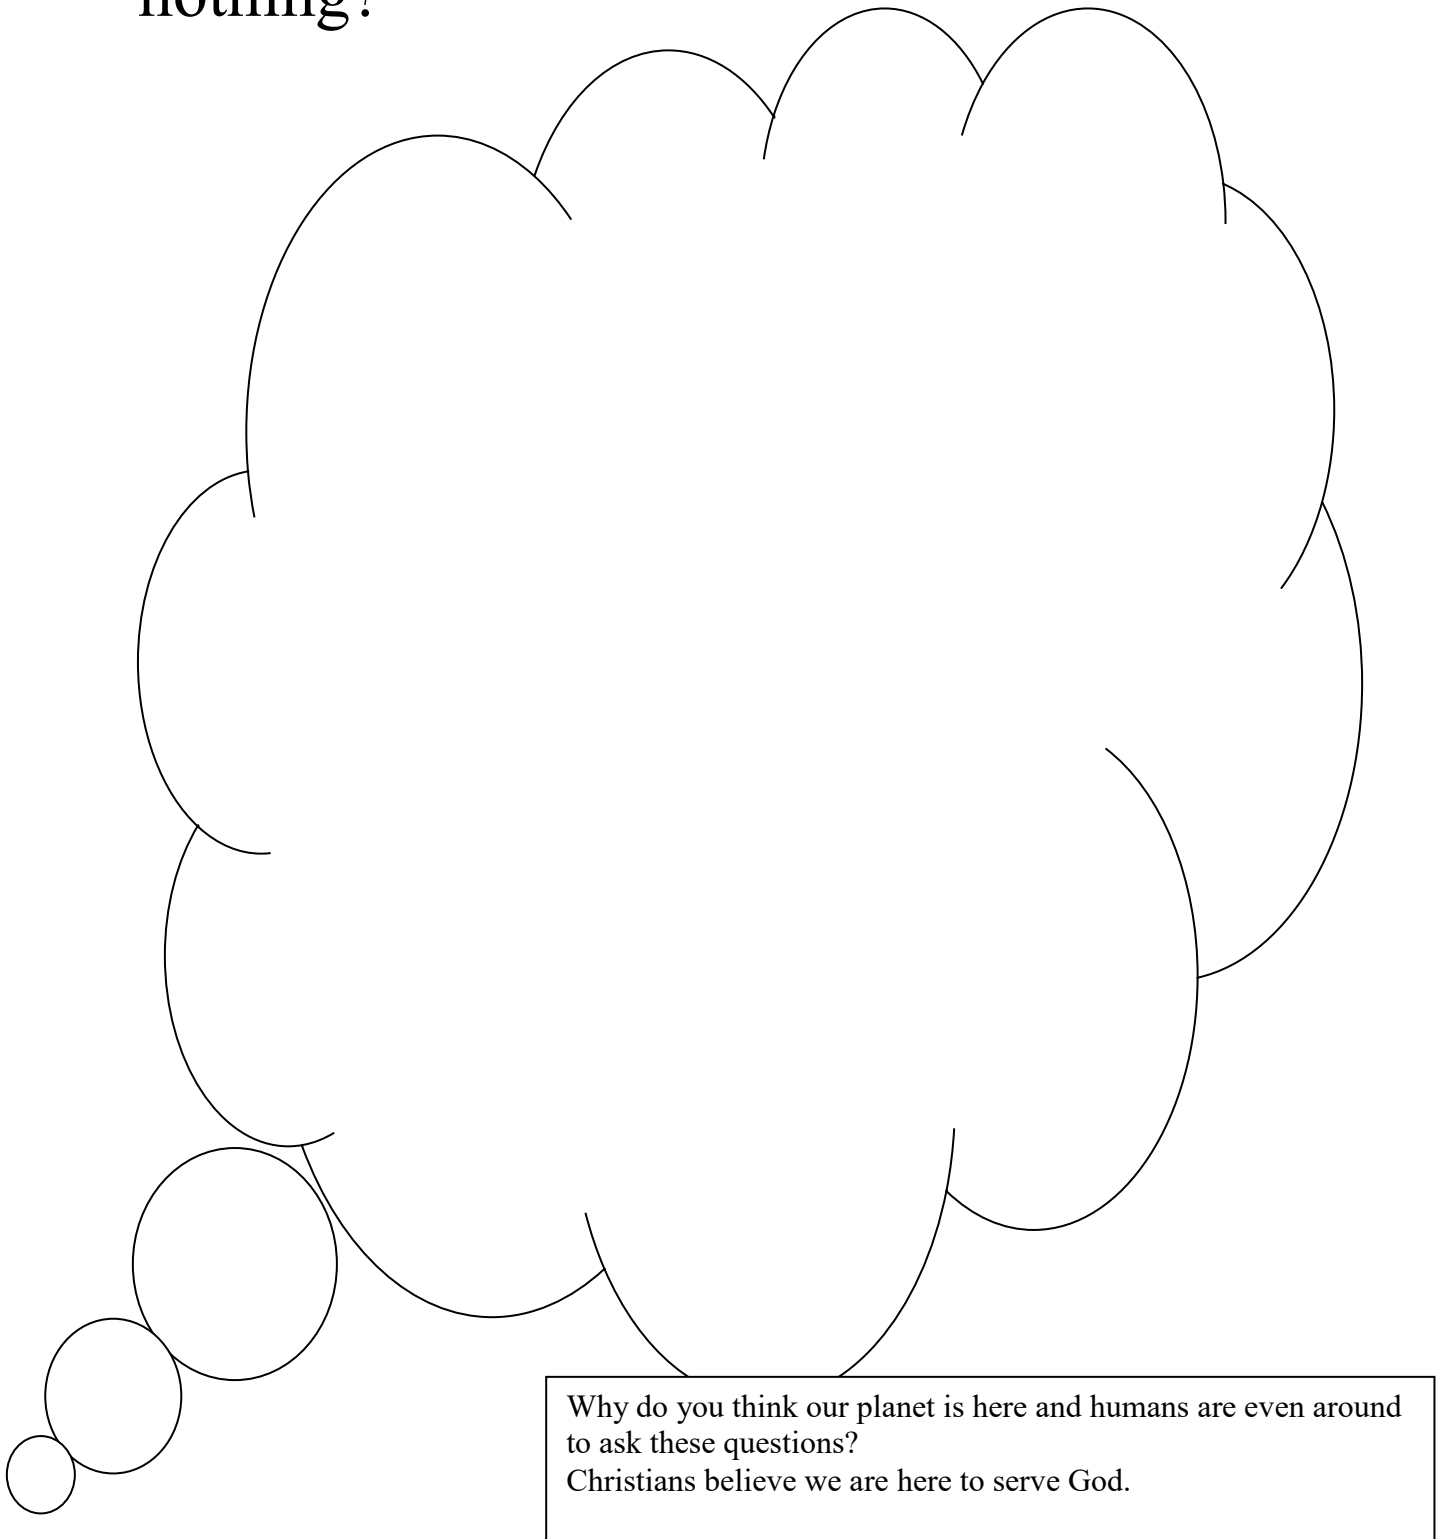

God
the
CREATOR ?

A Question Science Cannot Answer

The question of how the universe began:

- Why is there something and not nothing?

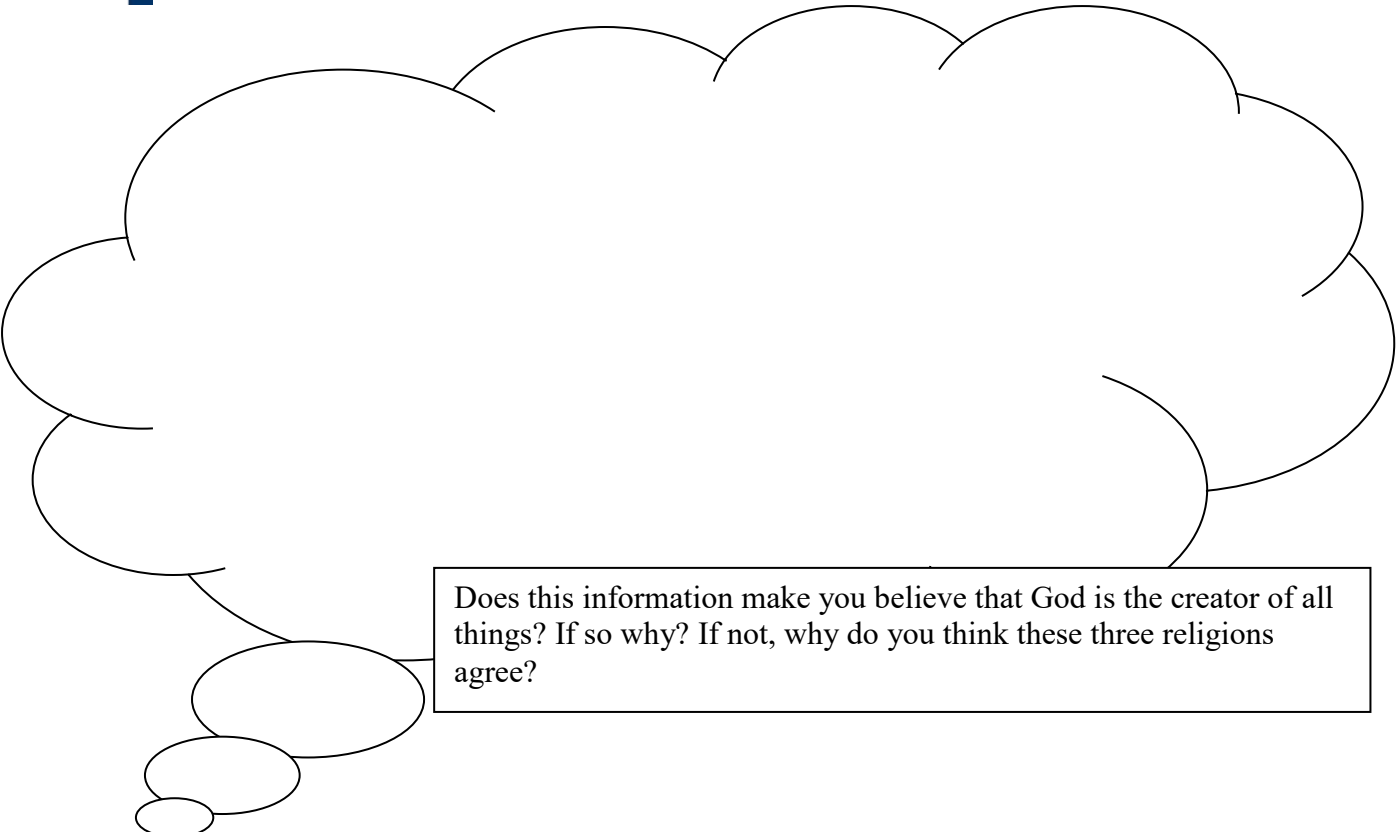

Why do you think our planet is here and humans are even around to ask these questions?
Christians believe we are here to serve God.

Three religions believe in God, the Almighty, the Creator of heaven and earth: Judaism Christianity and Islam

All have in common:

- belief in the one and same God of Abraham
 - Abraham: the great witness of the one true and living God
- History is directed to a goal
- Holy Scriptures
- The Ten Commandments

Does this information make you believe that God is the creator of all things? If so why? If not, why do you think these three religions agree?
