

For people  
aged 16+

Whether you are considering a career in the NHS or just want to find out more about your local hospitals, our free People's Academy and Young People's Academy courses might be just what you're looking for.

For people  
aged 14–25

From paramedic to plumber, our Academy sessions give you information about different routes into the huge range of careers

Visit Radiology or Pathology  
on our exclusive  
Behind the Scenes Tour

Other sessions may include:

- Hospital Transformation Programme
- Volunteering
- Patient Experience
- PALS and Complaints
- Service Improvement
- Food Sampling

Everyone completing a People's Academy course received a certificate of attendance and an exclusive pin badge
