

WILLMOTT DIXON BUILDING LIVES DELIVERY SUITE

This suite of programmes offers a virtual and in person range of activities from school Curriculum Support through to Work Experience.

Virtual Work Experience

Our ready made programmes give students;

- Opportunity to network with industry professionals, gain a reference and build on your CV
- Virtual site tours
- · Q&A panels
- · Speed networking
- A range of fun and challenging projects and tasks focused
- · Employability guidance

Assemblies / construction workshops – What is construction? What careers are there? How do we build or refurbish a building?

Site visits – guided tours around a live project to see a variety of trades in action, and to gain an understanding of the Health, Safety, Environmental and Sustainable factors that must be considered.

"Meet the builder" – guest speakers from various parts of the industry will come into your school to discuss their career, and what their role involves. This could be a design manager or site manager or maybe one of our Management Trainees.

All of our activities can be adapted to incorporate **SEND** students

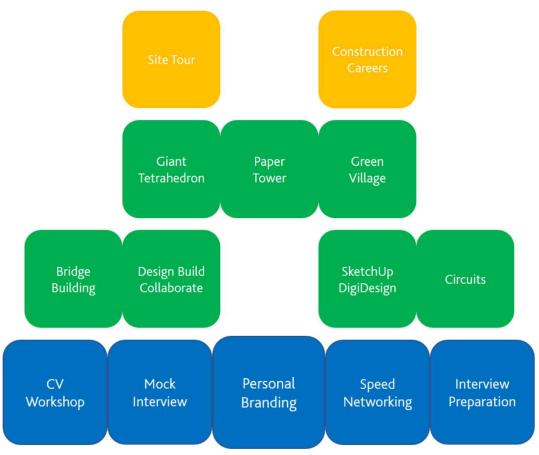

Mentoring sessions for students identified as potential **NEETS** during the summer transition period.
