

Severn Bridges “Trust Takeaway”

As the education landscape is shifting in Shropshire and beyond there is a great degree of change on the horizon and we wanted to share our offer for schools who may be interested in joining us. The event is an opportunity to meet the team and find out more about Severn Bridges Multi Academy Trust.

Schools are considering their options, particularly in the maintained sector and we would like to share our experience as schools go about making those important decisions for the future.

We welcome schools joining us, bringing something unique to our Trust. Over time, these Unique Selling Points benefit all of the schools within the MAT. This collaborative approach ensures that every child in the Trust receives an enriched learning journey enhanced by all the schools in the Trust.

As an established Trust (March 2017) we have overcome the initial hurdles of creating the Trust and built very strong foundations for growth. We have developed a collaborative, community offer for our family of schools which you can sample in our Trust Offer document attached. For a flavour of our collaborative community take a peek at our Trust on  @SevernMulti or on  Instagram at severnbridgesmat.

The event will share our approach as a Trust and how new schools can help co-construct the growing Trust. You can sample how our dedicated Central Team can support experienced and current researched school improvement, financial and operational guidance for all the schools.

The event will take place at The Shrewsbury Flaxmill Maltings, on Thursday 23rd May (Drop in between 10.00am-1.00pm). You might find we are closer than you think!

Sign up here:

Pastries and a prize draw are available while you visit each key stall. Please respond via the

Google Form  via email to sara.thorpe@severnbridgesmat.com or call us at the Trust office on: **05603876716**

Find out more about us on the Trust Website at: <https://www.severnbridgesmat.co.uk/>

We look forward to being able to share our offer for schools and to meeting you.
Yours sincerely

A. Morris
