

Telford & Wrekin Council has received the following planning applications:

(format: **Application number** - Site location - Proposal)

TWC/2016/1042 – Recycling House, Rock Road, Ketley – Amendment and variation of various conditions of existing planning approval W2005/0906 to allow more HGVs, longer working hours and more waste tonnage, new zoning layout of external storage areas and internal traffic flow, widening of existing entrance/exit, provision of additional weighbridge and wheel wash and installation of two balers

TWC/2016/1045 – Land at Southwater, St Quentin Gate, Telford Town Centre – Application to vary condition 30 of W2009/0914 to read: No development shall take place within a development zone until a ground investigation survey for that zone has been carried out to identify the location of and degree of treatment afforded to the recorded mineshafts present on site. The scope of the investigation must be agreed in writing with the LPA prior to commencement on site. In line with the results of the investigation and initial stabilisation work afforded to the mineshafts affecting the suite, recommendations for the final treatment of each individual shaft must be submitted to the Local Planning Authority. A minimum standoff within the plot of 5m will be required unless it can be demonstrated to the satisfaction of the local planning authority that such a standoff is not necessary. If unrecorded mineshafts are identified during construction, the layout of the development must be revised to afford the required standoff and a new approval sought.
